Computer Science Undergraduate at
BINUS @Kemanggisan

EXPERIENCE

Treasurer of PMB & Expo Program

MT Al-Khawarizmi in Binus @Kemanggisan

West Jakarta, June 2025 - August 2025

Managed the financial planning and budgeting of the PMB & Expo program while actively contributing to the development of the event concept, operational structure, and execution strategy. Collaborated with committee members to allocate resources effectively, monitor expenditures, and ensure that program objectives were achieved within budget and on schedule.

Logistics & Consumption Division Coordinator of MT Al-Khawarizmi Welcoming Party

MT Al-Khawarizmi in Binus @Kemanggisan

West Jakarta, July 2025 - October 2025

Led the Logistics and Consumption Division in organizing a welcoming event for new students. Coordinated logistical operations, managed procurement and distribution of supplies, supervised team members, and ensured that all operational requirements and participant needs were fulfilled efficiently throughout the event.

Public Relations Division Coordinator of KURMA (Kunjungan Rohani dan Motivasi Anak) Program

MT Al-Khawarizmi in Binus @Kemanggisan

West Jakarta, September 2025 - November 2025

Coordinated public relations activities by managing communications with volunteer, partners, and external stakeholders. Led promotional efforts, facilitated information dissemination, and maintained effective stakeholder engagement to support the successful implementation of the program.

SKILLS

- Programming & Software Development (Python, C, C++, Java, JavaScript, and MySQL)
- Machine Learning & AI Development (Scikit-learn, TensorFlow, CNN, Random Forest, XGBoost, and MobileNetV2 Data Analysis)
- Data Analysis & Preprocessing (Pandas, NumPy, Data Cleaning, Feature Engineering, and Exploratory)
- Web Application Development (Flask, FastAPI, REST API Development, and Database Integration)
- Problem Solving & Analytical Thinking (Algorithm Design, Debugging, and Data-Driven Decision Making)
- Leadership & Team Collaboration (Project Coordination, Teamwork, and Cross-Functional Collaboration)
- Communication & Public Speaking (Presentation, Stakeholder Engagement, and Bilingual Communication)
- Project & Event Management (Operational Planning, Resource Management, Budgeting, and Event Execution)
- Adaptability & Continuous Learning (Quick Learner, Growth Mindset, and Technology Exploration)

Treasurer of Ramadan Festival

MT Al-Khawarizmi in Binus @Kemanggisan
West Jakarta, February 2026

Oversaw budgeting, financial administration, and expense management for the Ramadan Festival while also contributing to event planning and organizational decision-making. Worked closely with the committee to develop program concepts, establish operational workflows, and ensure the successful execution of the event within allocated resources.
